500 sq ft microbay concepts

Four possible fit-outs on the same single-story footprint.

01

Contractor dispatch

Parts shelves, a workbench and tool carts with a dispatch desk in the glass office.

02

E-commerce packing

Stock shelving and a packing station with a separate desk for order management.

03

Product photo studio

A backdrop, lights and a product table, with a glass office for editing.

04

Personal training

Rubber flooring, compact strength equipment and an office for consultations.
